— The Holy Bible, — the guiding star of our fathers' and mothers' and the best of all books.

— Though the Bible meets with doubt, criticism and indifference, it is most obviously the centre of the world's light for both civil and spiritual progress.

— It is as the sun shining upon the world, dispelling fear and darkness.

— The function, therefore of — Christian education is to balance the mental, physical, and the moral in man.

— For centuries this great book, the inspired word of the living God, has been the target of the infidel, to destroy the faith — and hope of the Christian.

Robert Demarest Verhune.
