

CORRECTIONS

We apologize for errors made in Firth Haring Fabend's article "Jan Pieterszen Haring: A Corrective Note," in the January-March, 2020, issue of *South of the Mountains* (Vol. 64, No. 1).

In the editor's note on the bottom of page 3, the last sentence should read: "In this 'Corrective Note,' we have adhered to the Dutch usage of the spelling of Jan Haring's name (Pieterszen) and followed the Dutch usage of the names of his relatives (Pietersz.) in the Netherlands."

On page 5, the picture caption should read: "Document Showing the 1680 will of Cornelis Pietersz. Metselaer. Note the signature of Jan Pieterszen Haring directly above the signature of the notary."

On pages 14 and 15 of the same issue, the title of Firth Haring Fabend's poem is: *A Catch of Grandmothers*.

Finally, in the last issue of *South of the Mountains*, the front cover should have read: "Vol. 64, No. 2."
